## Chairmans Comments

It doesn't seem long since our last news letter and our Hands On , which seemed to be a more active affair . More members ' having a go!'-thanks to all contributors . I have been busy with other things and am looking forward to our next demo to keep in touch with what I find a great relaxation and therapy ----- easily pleased aren't I ?-----see you there, Brian

## English Timber

At the AGM a request was made for a supplier of English Timber to attend a HANDS ON event. John Witham has invited Tony Wilson who visited us last year and offered to supply at very competitive prices.

He unfortunately could not come to our last meeting as he was ill. I know a number of people were disappointed, but John has arranged for him to come to our next hands on meeting.

If anyone has any special requests for specific woods or sizes of wood please speak to John W. Tel 02476 394304 **As soon as possible!!**

## Secretary's notes

Your committee has met to discuss risk Assessments for the club. We managed to get a bit done before our last meeting.

You will find some safety notes with this newsletter. The committee have also considered the safety of our meetings. Risk Assessment has highlighted, that to reduce risks we need to change the layout of the tea making area and move the display table.

## School

Many thanks for the variety of drop spindles supplied for the school. They are very grateful and surprised at the variety of designs.

July 2<sup>nd</sup> is the School Fair so we only have 2 meetings before then to bring small items for sale, and the school is always very appreciative of what we do for them.
