Chairman's Comments

Although I missed our last 'Demo' with Phil Irons I did manage to attend both the School Fete and the World of Wood event in Harborne organised by the Guild of Woodworkers.

Both these events whilst different to each other give us the opportunity to show a 'public face' to our club.

The Fete gives us the chance to support the school for which they are very grateful.

The Guild event a somewhat more prestigious event offers us the chance to join a wider audience who certainly appreciate the skills involved in the use of wood. I felt we were privileged to be invited to be involved. Also I say a big thank you to a Hard Working group of members who attend these events and represent us, you are much appreciated by us all, and I hope never taken for granted!!!!.

I would like us to develop our public image and contribute more to these events. I propose that we as a Club discuss how we might do this:: some thoughts for future meetings please---Brian

Welcome back Brian
