Chairmans Comments

Now we have had our Sharpening Workshop we are able to give our tools a good seeing to! Just in time for us to look forward to a demonstration by Julie Heryet. I personally haven't seen her before, but have obviously seen her competition pieces in the magazines and on the AWGB Roadshow. I am sure we will be challenged by her techniques .

An item for those members who were unable to attend on Sun .26th. February. re.Kings Bromley Show. This is an event held each year in July, where we as a club have in the past had a table of items for sale and some members have entered the turning competition. Last year we declined their invitation to have a stall as members did not wish to take it up. At our last meeting I invited any interest for this years event, again none was shown. It is our intention therefore to decline their invitation again. Any comments please speak to Malcolm Caine or myself. Thanks, Brian
See you 19th.Mar..
