Chairmans Comments

Chairman's Comments:- we have had some cracking demonstrations over recent years which I have enjoyed immensely. For my money, Tony Wilson at our last meeting stole the show, not just because he turned a carvers mallet especially for me { by the way who ' borrowed it ?? ') but his skill, his repartee and his variation and enthusiasm were infectious. I overheard some very complementary remarks on the day and I hope he and his partner enjoyed their day as much as I did. I trust the pieces he donated to our future raffles are finished off to a standard he would expect and approve of. To those who were unable to attend and missed the event I would hope we have the opportunity to see him again in the future. ----- Our next meeting on 12th. June is a half day with Bob Neil. Peter has some instructions for us for the day, so pay attention!.----- Unfortunately we will not have our Book/ Video library on that day, our librarian will be away on holiday. —
-Perhaps we could have a bring & buy tool swap shop of any bits & bobs we want to clear out or recycle, just a thought to use the space! See you there----- Brian.

Kings Norton Show and World of Wood

Brian and Malcolm give their time freely to man the stall but are always pleased to see other members at the events.

You should all have your forms for the sale of your work at these venues, please bring in your work for sale at the next two meetings. Brian and Malcolm will collect it. Please do not fill your car as ALL the work has to be carried in their cars. It is great to have a variety of work from a number of turners.

The World of Wood is a new local exhibition organised by the local branch of

the **guild of woodworkers** to celebrate all aspects of woodworking. This will take place at Queen Alexandra College, Court Oak Road, Harborne.

School Fair

The School fair was cancelled due to the sudden death of the Headmaster.

Programme 2004/5

Next Meeting

June 12th Half Day

Bob Neil – will be teaching Pyrography. He will be bringing sufficient sets of equipment for everyone to have a go. To make the day work well it is important that we all bring along something to decorate. Please bring along some of your own work to decorate.

Don't forget to bring your cup. The half day will cost £4.00
