Chairman's Comments

Thanks again go to Graham for his pre-Christmas Demo. He can always be relied upon to tempt us with items which are not to challenging and can keep our tools working. Thanks also go to those of you who contributed items for the School Fair. Any other items could be delivered on the day for those who can make it. I know the school appreciate our support and contributions.

Our next Club meeting is our Christmas social 'get together' -partners and guests are very welcome .

Can I ask we All try and contribute an item for the Display Table so we can take some photographs of our members work. I hope as many as possible come along--after all it is a freebie !

See you there , **Brian** .

Christmas Fair

The date for the Christmas fair is December 4th. We look forward to seeing a number of you there supporting the school and the club. This is a good opportunity to get the odd Christmas present.
