Chairmans Comments

For the Chairman: -The last meeting was a really good day with Gary Rance demonstrating a number of projects.

The turnout was outstanding and everyone enjoyed themselves. Gary has always been a production turner and to get some idea of how fast he used to work try making 60 eggs an hour !!!! He demonstrated a number of projects and made them all seem easy.

Don't forget to bring some small Christmassy items along to sell at the school Christmas Fair.

Secretary's notes

To add to the usefulness of Novembers meeting, John has arranged for Neil Baldwin to come and have a 'sharpening corner' to help those who have difficulty in keeping a good edge on their tools. And we all know that you can't turn well without a good edge.

The demonstration by **Dave Reeks** on 21st of October at Heart of England club had to be cancelled one week before the event as they had only 4 members willing or able to make the demo. This seems a great shame as Dave gives a great performance.

Keith still has a few packs of the Axminster mats at £10 per pack if anyone would like some.

Brian Goodall has set up a website for us - -- www.wmwoodturners.org.uk if you want to take a look at it. Thanks Brian.
