## Chairmans Comments

Thanks to everyone who contributed to our Hands On day at our last meeting and of course to Neil & Mick who turned up for the sharpening clinic. I feel I get more out of the sharpening sessions than most. I certainly benefit from them, although I am not sure how much it improves my turning!

Our next meeting is ALL DAY on 7th. Oct. and our format will change from previous meetings, with a half day of demonstrations by club members Graham Lovett & Keith Lanchester, followed by an afternoon of Hands On attempting the morning projects. We hope this format will encourage participation, let us know what you feel! -----I hope members will be prepared to 'have a go'.

It will be a good opportunity to set a themed challenge for our Display Table for our following meeting. Display table items are always appreciated and thanks to our regular contributors. --I hope you can make 7th. Oct., see you there **Brian**.

As I write this I am thinking of leaving on holiday, which will be the 2 weeks before the meeting. I return the day before the meeting and may make it for part of the day but will probably be worn out with the travelling. I hope you all have a great day at the meeting.
