Chairman's Comments.

After our summer break I am looking forward to the second half of our wood turning programme. I will be away for our meeting on 14th Sept., demo by Joey Richardson, but will manage to see her at another venue. I trust you can all manage to get and see her.

During our break, thanks to a team of helpers, we are a little closer to having our own secure storage at school. We have erected a door and frame to partition off an alcove in one of the changing rooms. It needs clearing out of PTA 'stuff', but we should find space for some of our kit.

We have discussed applying for Lottery funding, if anybody has experience of the procedure please let me or one of my committee colleagues know.

I trust you will have a go at our Chairman's Challenge item, an open challenge to produce a turned item found in the home. Come on, keep up the efforts. To recognise our challenge success we will award an Annual Challenge Trophy at our Christmas Meeting.

That's it for now, see you soon.

Brian.

Programme 2008

Sept. 14 – Joey Richardson Full Day

October 5th – Nick Arnull Full Day

November 9th – 'Hands On' Half Day

Other Items

After the the last meeting the following was received:

Just a line to contribute to the newsletter to say a big, big thank you to Dave for the absolutely wonderful teaching at the 'Hands On' afternoon at which I had the privilege to receive personal instruction from him. I learnt more in three hours than I have achieved myself practising at home! I would also like to mention the encouragement Brian gave me, this was very much appreciated.

I look forward to the next 'Hands On'.

Yours gratefully,

Graham Hunt.

The final selection of Videos will be sold at the September meeting on 14th.
